

Molalla High School At-A-Glance Profile

Please see the attached At-A-Glance Profile for Molalla High School. This report is produced by the Oregon Department of Education as a snapshot of some of the key measurements of our school. There are numbers on this report that we're very proud of. For example, the number of 9th grade students on track to graduate is a great reflection of the work our students and staff are doing to get students off on the right foot in their high school career. On the negative side, the most glaring need is around student attendance. We are well below state average for regular attenders. As you've seen in other communication, promoting regular student attendance is a high priority for us.

Chromebook Checkout

Molalla High School is now offering students the opportunity to check-out Google Chromebooks to take home for instructional use. Devices are expected to be turned in or renewed each school day. Families who would like to take advantage of the program will need to fill out a permission form, and accept financial responsibility for lost or damaged devices. Permission forms are available in the school library.

Snowball Dance

Tonight, Friday, December 21, MHS Band is sponsoring the Snowball Dance from 7:00 p.m.-10:00 p.m. Dress is semi-formal and the cost is \$5.00 at the door.

Parents of Senior Students

Parents of Senior Students, if your child will be attending college or a trade school after graduation, please help them complete the FAFSA as soon as possible. You will need your 2017 taxes when applying. The form is online at www.fafsa.gov. If you have questions, please contact your students' counselor.

This is a wonderful program that alleviates some of the confusion of a weather related school closure, late start or early school closure. You must re-verify EVERY YEAR. **If we have a two hour late start on a Monday-Thursday, school will start at 9:30 a.m. If we have a two hour late start on a late start Friday, school will still start at 9:30 a.m.**
