**Cardiac Screening at MHS**

**FREE *Play Smart* –Youth Heart Screenings for Youth Aged 12-18**

**Dates: October 25 @ 8:00 a.m.-3:00 p.m.**

**Location: Molalla High School**

Providence Heart Institute (PHI) is pleased to offer, *Play Smart –Youth Heart Screenings Program*, a **free** youth heart screenings program that has been extremely successful in **screening over 18,346 youth and identifying 1,142 students or 7%** (to date) for further follow-up and treatment. Young people with undiagnosed heart defects, especially athletes, are susceptible to sudden cardiac arrest. Often there are no advance signs or symptoms and most routine physical exams will not pick up the defects. An electrocardiogram (EKG/ECG) usually is necessary to uncover signs of heart irregularities, something normally not done in “well-child” checks or even some sports physicals. In an effort to protect the hearts of area middle and high school students, *PlaySmart* offers free painless, noninvasive heart-health checks to youth aged 12-18. **The Play Smart Consent form and the Play Smart Questionnaire below must be completed and turned in at the MHS main office by Tuesday, October 23 in order for your child to be screened.**
