

The Molalla Thespian Association is the National Dramatic Honor Society's chapter on our campus. We are Troupe #2786. The MTA produces a wide range of shows, that are open to the public to attend, and any student to work on, either onstage or backstage. While we do have regular organizational meetings on alternate Thursday homerooms, every production has its own rehearsal and build schedule. Contact Mr. Berry for more information on the current season and needs.
