- A parking permit is required to park any vehicle in the designated junior/senior parking lots
- Parking permits must be affixed to rear view mirror or on front dash
- Parking permits can be revoked by administration for cause including but not limited to the following: unauthorized or unsafe use of vehicle by applicant or other person; leaving the school building during school hours without authorization; parking in non-designated parking areas (visitor parking, bike only, police, etc.)
- When a parking permit is revoked, the student is not permitted to park on school property, even in the undesignated lot. After a period of time set by the administration and the pattern of positive performance re-established, the student may apply for another parking permit and must pay another parking fee.
- Parking permits **will not** be issued until ASB fees are paid.
